

**Raven Correspondence School  
Computer Request Program**

Family Number:
-------------------

<b>Family Name:</b>	<b>Eligible Student(s):</b>

**RCS COMPUTER ASSISTANCE PROGRAM**

Raven Correspondence School will assist with the purchase of a computer for families as long as they have at least one full-time student enrolled in the Raven Correspondence School through the October count period per academic year. This program requires a \$200 deposit. The computer will be shipped directly to the family. If during or after the first or second year the family leaves the correspondence program, the family may either return the computer and receive their deposit back if the computer is in good working order, or pay an additional \$200 dollars and keep the computer. After the third year in the program, the computer becomes the property of the family, and the \$200 deposit is kept by the district. Families may not participate in the Computer Lease Program and the Computer Purchase Assistance Program simultaneously unless the family has four or more students enrolled, they may then receive another computer through either program.

- ❖ Available for students enrolled full time
- ❖ \$200 deposit is responsibility of the family
- ❖ One computer per every 3 students
- ❖ Computer may be purchased out right or returned upon student withdrawal
- ❖ Deposit will be returned as long as computer and all components are returned in good condition
- ❖

**I understand and agree to the provisions listed above:**
