## **2007-2008 Re-enrollment Information**

**TO: Current RCS Families and Students**  
**FR: Andrea Berg, Principal**  
**RE: Enrollment for School Year 2007-2008**  
**DA: April 1, 2007**

**Raven Correspondence School is now accepting enrollment for the 2007-2008 school year.**

**To meet your needs, we have tried to simplify our re-enrollment process. Please submit the following forms to your local RCS office:**

- Re-enrollment Family Application**
  - o Please ensure all information is current and up to date. All students can be entered on one form.
  
- Application for Title I and E-rate Programs** (Confidential/for School Grant Purposes Only)
  - o Completing the Title I/ERate form ensures that our program receives discounts on our internet and computer related expenses. This allows us to pass on our savings to our families. These monies will be used to help provide continued internet stipends, workshops and resources for our families, and our computer programs. Each form makes a huge difference for our program. Thank you for your cooperation.

**Once all necessary documentation is received at RCS, we will contact you to schedule an appointment to write your Individual Learning Plan(s) for the 2007-2008 school year. To ensure we can provide you with the best educational opportunities and maintain our state requirements, there will be a few additional forms that will need to be completed with the assistance of our staff.**

**Please note that funds will not be available until after July 1, 2007 with the official start of our school year. Each family will receive an updated RCS Handbook for 2007-2008 at the ILP meeting. Please use the current RCS Handbook on line at [www.ravenschool.com/info/RCS\\_Handbook112905.pdf](http://www.ravenschool.com/info/RCS_Handbook112905.pdf) as a guide.**

**Our focus is to provide you with unsurpassed quality services so that you can concentrate on your child's education. We are committed to parental choice. Moreover, we believe that Raven Correspondence School is successful because we have qualified staff dedicated to helping you meet the individual needs of your students and providing you with resources to aid you in teaching your children. We believe in and trust RCS parents to put their children first.**

**Thank you for your continued support of our school. We look forward to the opportunity to serve you and your students.**
